### Welcome to the Idle Free Systems Dealer Portal

This portal provides service information, installation information and explains the benefits of Idle Free eAPUs®. Use the resources provided on the Dealer Portal to sell and service Idle Free products. The portal also contains driver information, the parts order form, warranty information and allows dealers to build APUs to their specifications using the eAPU® Configurator.

If you have any questions, please contact Idle Free Systems at [techsupport@idlefreesystems.com](mailto:techsupport@idlefreesystems.com) or call 920-206-6900.

5. On the order page, fill out the information and click the gray Submit button at the bottom when you are done.
